Source: P.L. 108-334 (FY2005 DHS appropriations), and U.S. Office of Management and Budget, *Fiscal Year 2006 Budget of the United States Government* (Washington: GPO, Feb. 2006), appendix, p. 478-480.

^A This amount to be allocated on risks, threats, vulnerabilities, and unmet first responder capabilities as determined by the DHS Secretary, provided that each state and territory receives no less than 0.25% of funds appropriated for this program. Additionally, 20% of this amount is to be used for law enforcement terrorism prevention activities.

^B This amount to be allocated at the discretion of the DHS Secretary and is for assistance in securing ports, transit systems, and other infrastructure determined by the DHS Secretary. Additionally, \$50 million is to be used for buffer zone protection plans.

^C This amount to be allocated to high-threat, high-risk urban areas at the discretion of the DHS Secretary based on risks, threats, vulnerabilities, and unmet first responder capabilities.

^D This amount is 20% of the \$1.02 billion requested for the State Homeland Security program and \$1.02 billion for Urban Area Security Initiative for law enforcement terrorism prevention activities.

^E This amount is to be allocated based on P.L. 107-56, section 1014, which guarantees each state a minimum of 0.75% of total appropriated funds.

^F This amount is to be allocated based on P.L. 107-56, section 1014, which guarantees each state a minimum of 0.75% of total appropriated funds.
