The Honorable Kay Granger  
Ranking Member  
House Appropriations Committee  
Washington, DC 20515

Dear Chair DeLauro and Ranking Member Granger:

I am requesting funding for the Institute for Family Health to enhance efforts to prevent opioid overdose deaths in underserved communities in New York City as a community project funding request. The intended recipient is the Institute for Family Health located at 230 West 17th Street, New York, NY 10011. This project would be a valuable use of taxpayer funds because it will allow the Institute to hire two dedicated staff and purchase a mobile harm reduction unit to provide targeted outreach, overdose prevention supplies (including naloxone and fentanyl test strips), and education to individuals at risk of opioid overdose. I certify that neither I nor my immediate family has any financial interest in this project.

Sincerely,

Carolyn B. Maloney  
Member of Congress
