SEC. 2. PURPOSE.

The purpose of this Act is to establish a Federal program that provides for a transparent system of shared public and private compensation for property and casualty...

(B) shall make available property and casualty insurance coverage for insured losses that does not differ materially from the terms, conditions, amounts, limits, deductibles, or self-insured retentions and other coverage limitations
applicable to losses arising from events other than public health emergencies.

(2) PARAMETRIC NON-DAMAGE BUSINESS INTERRUPTION INSURANCE COVERAGE.—

(A) IN GENERAL.—During each calendar year, each entity that meets the definition of an insurer under this Act shall in addition make available, in all its commercial property insurance policies, parametric non-damage business interruption insurance coverage for insured losses.

(B) ALTERNATIVES.—An insurer subject to the requirement in subparagraph (A) may satisfy the requirement by arranging for the parametric non-damage business interruption insurance coverage to be made available to the insured by either—

(i) an affiliate of the insurer; or

(ii) a parametric insurance facility in which the insurer participates.

(C) CRITERIA.—The Secretary shall issue regulations, as soon as practicable after the date of enactment of this Act, that establish eligibility criteria and other standards for parametric insurance facilities. In general—

(A) Quota Share Protection.—In general, the Federal share of compensation under the Program to be paid by the Secretary for insured losses of an insurer or a parametric insurance facility during each calendar year shall, on a quota share basis, be equal to 95 percent of such insured losses.

(B) Stop-Loss Protection.—In addition to the quota share reinsurance provided under subparagraph (A), the Secretary may, upon application by an insurer or parametric insurance facility, provide such insurer or facility with stop-loss protection for insured losses, for such price and on such other terms and conditions as the Secretary deems consistent with the purposes of the Act. In general, such stop loss protection shall not have an attachment point lower than provided in any catastrophe excess of loss reinsurance program which the insurer or facility has in effect for the same period.
(f) Captive Insurers and Other Self-insurance Arrangements.—The Secretary may, in consultation with the NAIC or the appropriate State regulatory authority, apply the provisions of this Act, as appropriate, to other classes or types of captive insurers and other self-insurance arrangements by municipalities and other entities (such as workers’ compensation self-insurance programs and State workers’ compensation reinsurance pools), but only if such application is determined before the commencement of a covered public health emergency in which such an entity incurs an insured loss and all of the provisions of this Act are applied comparably to such entities.

(g) Reinsurance to Cover Exposure.—

(1) Obtaining Coverage.—This Act may not be construed to limit or prevent insurers or facilities from obtaining reinsurance coverage for insured losses retained by insurers or facilities pursuant to this section, nor shall the obtaining of such coverage affect the calculation of such deductibles.

(2) Limitation on Financial Assistance.— The amount of financial assistance provided pursuant to this section shall not be reduced by reinsurance paid or payable to an insurer from other sources, except that recoveries from such other
sources, taken together with financial assistance for
the calendar year provided pursuant to this section,
may not exceed the aggregate amount of the insur-
er’s insured losses for the calendar year. If such re-
coveries and financial assistance for the calendar
year exceed such aggregate amount of insured losses
for the calendar year and there is no agreement be-
tween the insurer and any reinsurer to the contrary,
an amount in excess of such aggregate insured
losses shall be returned to the Secretary.

(h) PREMIUMS FOR QUOTA SHARE REINSURANCE

PROTECTION.—

(1) ECONOMIC RECOVERY PERIOD.—During the
economic recovery period, including any reset exten-
sion, no premium will be charged to insurers or
parametric insurance facilities for the Federal quota
share reinsurance protection provided by the Pro-
gram under subsection (e)(1)(A).

(2) THEREAFTER.—Commencing with the expi-
ration of the economic recovery period, the Secretary
shall be authorized to prescribe a rating plan for the
quota share reinsurance provided by the Program
under subsection (e)(1)(A) for both the parametric
non-damage business interruption insurance and for
other lines of property and casualty insurance. The
rating plan shall be designed to encourage broad participation in the coverage made available under the Program, and in particular shall be designed to recover the cost of the reinsurance program over a period of not less than 5 years.

SEC. 5. GENERAL AUTHORITY AND ADMINISTRATION OF CLAIMS.

(a) GENERAL AUTHORITY.—The Secretary shall have the powers and authorities necessary to carry out the Program, including authority—

(1) to investigate and audit all claims under the Program; and

(2) to prescribe regulations and procedures to effectively administer and implement the Program, and to ensure that all participating insurers and self-insured entities are treated comparably under the Program.

(e) Consultation.—The Secretary shall consult with the NAIC, as the Secretary determines appropriate, concerning the Program.

(d) Contracts for Services.—The Secretary may employ persons or contract for services as may be necessary to implement the Program.

(F) in the case of the data reported in paragraph (1)(B), an updated estimate of the total amount earned since the first January 1 occurring after the date of the enactment of this Act.

(3) PROTECTION OF DATA.—To the extent possible, the Secretary shall contract with an insurance statistical aggregator to collect the information described in paragraph (1), which shall keep any non-public information confidential and provide it to the Secretary in an aggregate form or in such other form or manner that does not permit identification of the insurer submitting such information.

(4) ADVANCE COORDINATION.—Before collecting any data or information under paragraph (1) from an insurer, or affiliate of an insurer, the Secretary shall coordinate with the appropriate State insurance regulatory authorities and any relevant government agency or publicly available sources to determine if the information to be collected is available from, and may be obtained in a timely manner by,
individually or collectively, such entities. If the Secretary determines that such data or information is available, and may be obtained in a timely matter, from such entities, the Secretary shall obtain the data or information from such entities. If the Secretary determines that such data or information is not so available, the Secretary may collect such data or information from an insurer and affiliates.

(5) CONFIDENTIALITY.——

(A) RETENTION OF PRIVILEGE.—The submission of any non-publicly available data and information to the Secretary and the sharing of any non-publicly available data with or by the Secretary among other Federal agencies, the State insurance regulatory authorities, or any other entities under this subsection shall not constitute a waiver of, or otherwise affect, any privilege arising under Federal or State law (including the rules of any Federal or State court) to which the data or information is otherwise subject.

(B) CONTINUED APPLICATION OF PRIOR CONFIDENTIALITY AGREEMENTS.—Any requirement under Federal or State law to the extent otherwise applicable, or any requirement pursu-
ant to a written agreement in effect between

eral law; and

(ii) shall not constitute a waiver of, or
otherwise affect, any privilege under Fed-
eral or State law (including any privilege
referred to in subparagraph (A) and the
rules of any Federal or State court) to
which the data or information is otherwise
subject.
(D) AGENCY DISCLOSURE REQUIREMENTS.—Section 552 of title 5, United States Code, including any exceptions thereunder, shall apply to any data or information submitted under this subsection to the Secretary by an insurer or affiliate of an insurer.

SEC. 6. PREEMPTION AND NULLIFICATION OF PRE-EXISTING EXCLUSIONS.

(a) GENERAL NULLIFICATION.—Any exclusion in a contract of an insurer for property and casualty insurance that is in force on the date of enactment of this Act shall be void to the extent that it excludes losses that would otherwise be insured losses under the Program.
(b) GENERAL PREEMPTION.—Any State approval of any exclusion from a contract of an insurer for property and casualty insurance that is in force on the date of enactment of this Act, shall be void to the extent that it excludes losses that would otherwise be insured losses under the Program.

(c) REINSTATEMENT OF EXCLUSIONS.—Notwithstanding subsections (a) and (b) or any provision of State law, an insurer may reinstate a preexisting provision in a contract for property and casualty insurance that is in force on the date of enactment of this Act and that excludes coverage for loss resulting from a covered public health emergency only—

(1) if the insurer has received a written statement from the insured that affirmatively authorizes such reinstatement; or

(2) for contracts in effect for less than 5 months—

(A) the insured fails to pay any increased premium charged by the insurer for providing such coverage for covered public health emergencies, but only if such premium does not increase by more than 15 percent; and

(B) the insurer provided notice, at least 30 days before any such reinstatement, of—
(i) the increased premium for such covered public health emergency coverage; and

(ii) the rights of the insured with respect to such coverage, including any date upon which the exclusion would be reinstated if no payment is received.

(A) the definition of the term covered public health emergency in section 3 shall be the exclusive definition of that term for purposes of compensation for insured losses under this Act, and shall preempt any provision of State law that is inconsistent with that definition, to the extent that such provision of law would otherwise apply to any type of insurance covered by this Act;
(B) during the period beginning on the date of enactment of this Act and ending on December 31, 2021, rates and forms for property and casualty insurance covered by this Act and filed with any State shall not be subject to prior approval or a waiting period under any law of a State that would otherwise be applicable, except that nothing in this Act affects the ability of any State to invalidate a rate as excessive, inadequate, or unfairly discriminatory, and, with respect to forms, where a State has prior approval authority, it shall apply to allow subsequent review of such forms; and

(C) during the period beginning on the date of enactment of this Act and for so long as the Program is in effect, as provided in section 9, books and records of any insurer that are relevant to the Program shall be provided, or caused to be provided, to the Secretary, upon request by the Secretary, notwithstanding any provision of the laws of any State prohibiting or limiting such access.

(b) Existing Reinsurance Agreements.—Nothing in this Act shall be construed to alter, amend, or expand the terms of coverage under any reinsurance agree-
ment in effect on the date of enactment of this Act. The terms and conditions of such an agreement shall be determined by the language of that agreement.

(a) STUDY AND REPORT ON THE PROGRAM.—

(1) STUDY.—The Secretary, in consultation with the NAIC, representatives of the insurance industry and of policy holders, other experts in the insurance field, and other experts as needed, shall assess the effectiveness of the Program and the likely capacity of the property and casualty insurance industry to offer insurance for risk of public health emergencies after termination of the Program, and the availability and affordability of such insurance for various policyholders.

(2) ELEMENTS OF STUDY.—The study required by paragraph (1) shall contain—

(A) an analysis of both insurance and reinsurance capacity in specific markets, including pricing and coverage limits in existing policies;

(B) an assessment of the factors contributing to any capacity constraints that are identified; and

SEC. 9. TERMINATION OF PROGRAM.

(a) TERMINATION.—The Program shall terminate on December 31, 2031.

(c) REPEAL.—Savings clause This Act is repealed on the final termination date of the Program under subsection (a), except that such repeal shall not be construed—

(1) to prevent the Secretary from taking, or causing to be taken, such actions under subsection (b) of this section, paragraph (4) or (5) of section 4(e), or subsection (a)(1), (c), (d), or (e) of section 5, as in effect on the day before the date of such repeal, or applicable regulations promulgated thereunder, during any period in which the authority of the Secretary under subsection (b) of this section is in effect; or
