

Summary for projects submitted to the Appropriations Committee for the FY11 Appropriations Cycle

The proposed recipient: New York University Langone Medical Center

Address of the recipient:

New York University Langone Medical Center
1 Park Avenue
10th Floor
New York, NY 10016

The amount of the request: \$3 million

Purpose of the project and why it is a good use of taxpayer funds: The funding would be used for research on diseases of importance to our soldiers including wound healing, skin problems of soldiers in the field in hot climates, and gastrointestinal disorders including dysentery, dehydration, and acute renal failure also affecting soldiers in the field, as well as obesity.
